Sir:

This Supplemental Information Disclosure Statement is hereby submitted in accordance with 37 CFR 1.98 and pursuant to Applicant's continuing duty under 37 CFR 1.56 to bring any information which may be material to patentability of this application to the Examiner's attention. Each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this supplemental information disclosure statement, in accordance with 37 C.F.R. §1.97(e)(1); accordingly, no fees are required. A copy of the European search report is enclosed.

Applicant makes no representation that a complete search has been conducted by the Applicant, or that there is not possibly more relevant art. Applicant also makes no representation that the information submitted herewith is in fact material.

The subject application is believed patentable over any of the references listed on the attached PTO 1449 form.

Respectfully submitted,
